"A home more than a hotel"

Divine Inspiration

The temples of Angkor, capital of the ancient Khmer empire, are the perfect fusion of creative ambition and spiritual devotion. HanumanAlaya, Angkor's very own boutique residence, is just a short distance away from these magnificent temples and is the perfect blend of traditional Khmer design and modern amenities.

Angkor is a magical experience, one that will stay with visitors forever. HanumanAlaya is your perfect base to discover the 8th wonder of the world.

Rooms & Suites

HanumanAlaya boutique residence features 15 exquisitely decorated rooms, including 5 Superior Rooms, 8 Deluxe Rooms, 1 Family Suite and 1 Alaya Suite, all finished with the same attention to delicate detail. All rooms can be used on a single or double basis and extra beds are available on request. The furnishings are finished in wood with a silk trim. All rooms include air-conditioning, ceiling fan, IDD phone for international calls and flat-screen satellite TV.

The well-equipped bathrooms include generous-sized bathtubs complete with hot and cold water and shower. Hairdryers are included with every room, as are useful amenities like soap and shampoo.

Put all the ingredients together and you have the making of a comfortable and cultured stay.

Wine & Dine

Despite its intimate size as a boutique hotel, HanumanAlaya has several epicurean experiences available for guests including the renowned Reahoo Restaurant - beautifully housed in a traditional wooden structure, complete with silk lanterns and exquisite decoration. Dedicated to bringing the best of Khmer cuisine to our guests, our menu includes a full selection of popular national dishes like the amok, steamed fish with coconut, chilli and lemongrass in banana leaf.

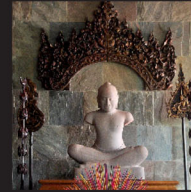

Downstairs is the Asura Bar, which comes fully stocked with a range of local and international beers, fine wines and spirits from around the world. Sit at the bar and strike up a conversation, relax in the garden or take a dip in the pool after a long, hot day. Or head upstairs to the Asura Lounge and read up on Angkor over a cocktail, the choice is yours.

A Home More Than a Hotel

Lovingly finished in wood and decorated with local antiques and handicrafts, HanumanAlaya is a home more than a hotel - a perfect place to unwind after an adventurous day exploring Angkor.

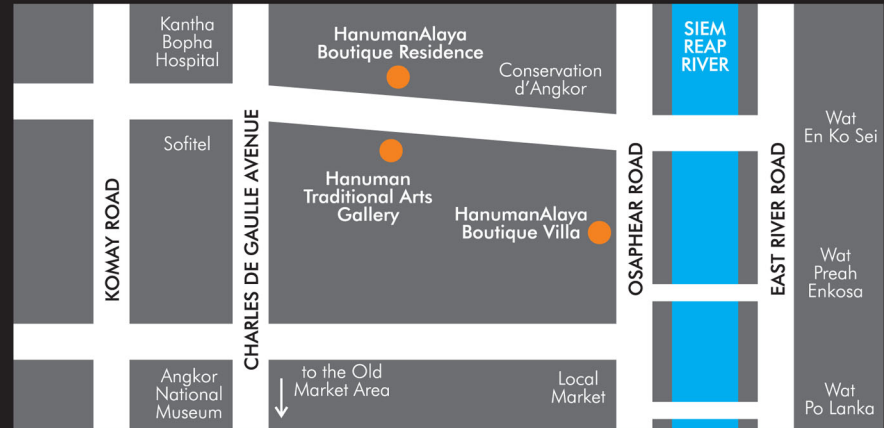

Surrounded by lush, tropical gardens, a restaurant, a swimming pool, and a soothing spa, HanumanAlaya is an idyllic retreat from the bustle of Siem Reap and beyond, a stay to be savoured rather than rushed.

A new addition to the family in 2013, HanumanAloya Villa has just 9 rooms, making it an intimate boutique escape. Far from the bustle of downtown Siem Reap, it sits next to the river. The rooms are all finished in wood trim and our signature combination of traditional Khmer design and sophisticated international amenities. As well as beautiful decoration in the form of hand-carved wooden furnishings and traditional Khmer silk, modern touches are clearly visible with flat-screen TV and contemporary bathrooms throughout.

Beyond the rooms, the Villa includes its own secluded swimming pool. There is also a small bar-restaurant by the pool, where the included breakfast can be enjoyed before exploring the temples. A wide variety of drinks is available and a menu of light bites and snacks. A range of massages are available at the new Villa thanks to our sophisticated Sita Spa.
