

# Sala Kdei

## An Angkor Retreat

### Sala Kdei

A beautiful traditional wooden house overlooking the royal bathing pool of Sra Srang, a celebrated spot for sunrise and sunset. In a serene setting, Sala Kdei offers a range of original experiences from dining, cooking classes and cocktails to yoga and quiet meditation. Sala Kdei is the ideal private escape from the crowds around Angkor. Unwind or indulge, it's a perfect complement to the majestic temples.

### Introducing Sala Roluos

Located close to the 9th century capital of Hariharalaya and the small town of Roluos, Sala Roluos is a lovingly-crafted traditional home which offers exclusive lunch and candle-lit dinner encounters, which can easily be combined with a visit to the Roluos temple monuments nearby. Explore the ancient pyramid temple of Bakong before switching to a boat to cruise through the 'bamboo skyscrapers' of Kompong Pluk, one of the memorable villages on Tonle Sap Lake.

## Sala Kdei Experiences

Enjoy our traditional Khmer lunch menu at Sala Kdei, an intimate location to eat and rest in the middle of the day while exploring the temples.

Relax and unwind with an afternoon yoga or meditation session, by prior appointment, between 2pm and 5pm.

As sunset approaches, Sala Kdei serves up a selection of drinks, including sunset cocktails from 5pm to 7pm. Don't forget to sample the signature Hanuman cocktail, similar to the Singapore Sling, but with an original twist.
